

## **ANNUAL SUBSCRIPTIONS**

In all cases the Membership Financial Year shall be from the 1st June until the 31st May. Subscriptions fall due on the 1st June and the final date for payment is the 30th June.

Players may use the residual of their trophy account to offset or reduce their membership fee. Ball credits cannot be used for this purpose.

Members may elect to pay their fees outright or by part payment.

Trophy Account balances may be used to offset the amount to be paid if an outright payment is received.

Those members electing to pay by part payment must first agree to pay the full year's membership amount.

A monthly payment option is also available.

Members seeking absentee status should seek approval by contacting the Board of Directors in writing through the Secretary. Pro-rata rates would generally not apply in this situation.

**For cash handling and security reasons members are encouraged to pay membership fees by EFTPOS or direct debit.**
